

Hi [Strange Beast Studios] ...,

I'm a long-time follower of the company and I'm a big fan of the work the company produces. I am drawn to the company's commitment to creating innovative and visually striking work aligns with my personal philosophy as an animator. I am eager to collaborate with a team that values creative exploration and pushes boundaries in the industry.

I look forward to sharing my portfolio with you in hopes that you have a position available for a [junior animator]. About to graduate from BA Animation at LCC, I have been working hard to develop my skills and would like to specialise further in 2D Animation.

Please find attached to this email a copy of my CV.

Kind Regards,

Andrea Pinto
